ABOUT THE COLLEGE

Mahaguru Institute of Technology (formerly Sree Vellappally Natesan college of Engineering) was established in the year 2009 by Sree Gurudeva Charitable and Educational Trust. Noted educationalist and industrialist Sri Gokulam Gopalan, has assumed office as the Chairman of the college. No doubt that his visionary leadership and commitment will contribute towards the march of the college to greater heights. The college with best infrastructure and high academic delivery is committed to create engineers of world class. The college transforms the ordinary to extra ordinary.

The motto of our college is:
DISCIPLINE, DEDICATION AND DETERMINATION

PLACEMENT AND TRAINING CELL

The institution has a full-fledged Training and Placement Cell. The training which starts from first year itself instill confidence in students and equip them with employable skills. The Placement cell coordinates with HR departments of various Corporates /MNCs and organizes recruitment at the college campus and other recruitment drives. The placement cell works with the objective of achieving 100% placement for eligible students.

ADMISSION PROCEDURE

The student should complete plus two/ higher secondary education from science background PCM (Physics, Chemistry, Mathematics) along with a valid score in entrance tests (JEE, KEAM).

Students will be allotted seats in Government and Management quota based on their entrance score. Seats are available in NRI quota also

INDUSTRIAL TRAINING PROGRAMMES

Additional Skill Acquisition Program (ASAP) under the Higher education department associate with government, semi government and private organizations to equip students with necessary skills. Advanced Skill Development Centre (ASDC) is an initiative by Government of Kerala to train the budding youth in the era of technological advancement. To address the concern of the growing educated-unemployment rates of the state, the state's Skill Development Program was enacted in the year 2012. ASAP has now spread out to ASDC s and Community Skill parks. Mahagurutech has signed up an MOU with ASAP for training our students.

FACILITIES

Well qualified & Experienced faculties / Industrial training programmes / Entrepreneurship development programmes (IEDC) / Soft skill development programmes / Aptitude development classes / Workshops, Seminars & Conferences / Centralized library / WiFi Campus, Cafeteria / Boys & Girls hostel inside campus/Transport facilities to all major towns in Allappee, Kollam & Pathanamthitta districts, Techno-Cultural fests, Sports & games, NSS etc

PROPOSED EDUCATIONAL HUB

Mahagurutech has great expansion plans. The trust is exploring options to develop the campus into an EDUCATION HUB with medical, paramedical institutions along with an International School.

MIT - SCHOLARSHIP

In view of the ongoing COVID-19 pandemic the management of Mahaguru Institute of Technology has decided to offer scholarship to all students this year. As for our responsibility towards the student community we will be giving admission to students with Government merit fees only.
